

MJC trial course for

JCCI Bookkeeping LEVEL 3

JCCI : Japan Chamber of Commerce and Industry

JCCI Bookkeeping Trial Course for Level 3 is designed to pass the equivalent level of the examination that is prepared based on examinations conducted by JCCI in Japan. In this course, participants are going to learn basic, but practical knowledge and skills in bookkeeping. JCCI has been conducting bookkeeping examinations from level 4 (the lowest) to level 1 (the highest) and issuing certificates to successful candidates for more than 60 years. The number of the candidates is more than 500,000 people every year in Japan.

“Suitable for practical accounting knowledge and work opportunity!”

Ms. Phyu Phyu Lynn (Cooperative University)

“I believe JCCI Bookkeeping course will be supportive & effective for job training as well as in practical work.”

Ms. Zun Pwint Phyu (Fujiworks)

“JCCI is essential course for the those who want to work in emerging Japanese companies in Myanmar. Not only for this, JCCI Accounting System is very useful for business persons for their own businesses as well as to work in other non-Japanese companies.”
